Kia ora Residents of Pirihi Road and Takahiwai.

I know we are about 6 months behind but we are planning to officially open our new sealed road next Saturday November 5th at 8.00am. It will take place at the corner of Pirihi Road and Takahiwai Road and you are invited. We are also inviting our District Council representatives Phil Halse and Shelley Deeming. We hope they are able to attend also.

For those who feel they are able, we will be walking to the end of the seal and return (approx 1 km total) and then to the marae for breakfast. Haere mai, Haere mai, Come one, come all!!!!
Ka pai?
